

IMPORTANT NOTICE

BHARAT SKILL DEVELOPMENT CENTRE (BSDC)

Website: www.bsdc.co.in

Subject: Upcoming Changes to Franchise Rules, Franchise Categories, Earning Wallet, Centre Management System, and Website/Portal Upgrades

This is to inform all Franchise Centres, Authorised Training Centres, and concerned officials that, in view of changes in administrative procedures, taxation, GST, TDS, and other applicable financial and regulatory requirements, BSDC is planning to introduce certain important changes to its operational system. These changes are intended to improve transparency, simplify administrative procedures, enhance centre efficiency, and introduce new opportunities for service-based earnings.

1. Franchise Category Modification Facility

In the upcoming upgraded website and web portal, Franchise Centres are expected to receive the facility to manage or change their franchise category through their respective panels, subject to applicable rules and eligibility criteria. Benefits, facilities, and services will depend on the centre's approved franchise category.

2. Introduction of an Earning Wallet

BSDC plans to introduce an **Earning Wallet** to create additional earning opportunities for eligible Franchise Centres through approved activities and services. The commission structure, eligibility criteria, payment procedures, withdrawal conditions, and other terms will be communicated through an official notification before implementation.

3. Improved Student Database Management

The upgraded portal will aim to make student data management easier, faster, and more convenient, including student registration, record management, profile and status verification, and improved access to student-related information.

4. Centre Management System (CMS)

BSDC plans to introduce a **Centre Management System (CMS)** to bring various centre-related activities online. Proposed features may include:

- Student Registration and Record Management
- Pending Student Status and Payment Reminders
- Student Attendance Management
- Training and Batch Management
- Student Progress Tracking
- Centre Reports and Activity Records
- Other essential online management facilities

5. Service-Based Charges

Service charges may apply depending on the type of service selected and the applicable terms and conditions. Relevant charges, payment procedures, and rules will be communicated to Franchise Centres before the respective services are implemented.

6. Upcoming Website and Web Portal Upgrade

Following the Durga Puja period, BSDC plans to introduce important website and web portal upgrades in phases. The objectives are to increase centre efficiency, simplify student and database management, reduce manual work, improve online services, provide eligible centres with additional earning opportunities, and improve transparency and convenience.

Detailed instructions, user guidelines, and information about new features will be communicated to Franchise Centres in due course.

IMPORTANT INSTRUCTIONS FOR ALL FRANCHISE CENTRES

All Franchise Centres are requested to follow upcoming official announcements and cooperate with the implementation of revised procedures. Until an official notification is issued, the proposed features, earning arrangements, commission rates, service charges, and other conditions should not be treated as final.

Our objective is not limited to training and certificate processing. We aim to build a more efficient, technology-driven, and service-oriented system that helps Franchise Centres work effectively and explore new earning opportunities.

Thank you for your continued trust, cooperation, and support.
